session.

This, he explained, was to tarnish his image and bring his brand into disrepute, since he is a big threat to them in the gospel industry.

Brother Sammy went further to claim that Cecilia Marfo was not a genuine prophetess.

But responding to Brother Sammy's claims, Cecilia Marfo who is the founder and leader

of Osorifie Prayer Centre denied the fake prophetess tag.

According to her, she was a true prophetess who has a covenant with God.

She also made allegations of her own that Brother Sammy was being used by fake prophets to bring her down.

“It is evil to make an allegation against me for your progress. You have teamed up with evil pastors to bring me down but it will never work” she stated.
